

Hookless® SHOWER CURTAINS & SUPPORT RODS

Transforming bathrooms around the world! **Hookless** offers an easy-to-install, easy-to-maintain, stylish shower curtain. Together with *The Arc* and *The Crescent*, the **Hookless** package delivers increased elbow room in your shower recess.

Plain Weave Beige

THE HOOKLESS SHOWER CURTAIN IS DESIGNED FOR EASY INSTALLATION

With split ring design built directly into the product, the Hookless shower curtain has revolutionised the shower curtain market. The unique design stops/eliminates the chances of broken or missing rings that cause outdated shower curtains to hang unattractively.

COLOURS & DESIGNS

Litchfield, a plaid design and Plain Weave are available in white and beige.

FABRIC SPECIFICATION

100% Polyester including mildew inhibiting elements, water repellency, ultrasonically cut bottom hem to avoid mildew build up and magnets at the bottom of each corner.

SIZE OPTIONS

- 180cm wide x 188cm long
- 180cm wide x 196cm long

The Hookless Shower Curtain will turn your number one commodity into a first class feature!

Shower Curtains and Support Rods sold seperately.

1 GRASP THE TOP HALF OF A PAIR OF RINGS (WITH THE SLIT BETWEEN THEM IN THE CENTRE OF BOTH HANDS).

2 GENTLY PUSH TOP HALF OF RINGS OVER SHOWER ROD. THE LOWER HALF OF THE RINGS WILL FOLLOW UNDER THE ROD.

3 THE SLIT WILL MAGICALLY DISAPPEAR – CONTINUE STEPS 1 AND 2 UNTIL COMPLETE.

SUPPORT RODS

Curve Shower Rods create 25% more space in the shower, eliminating the curtain clinging to your body and helping to stop leaks at the edges.
