“You can state your character by your choice of wallpaper”

For the first time, Materialised brings you her stunning range of wallpapers.

At first glance you’ll feel like a time traveller, right back in the 70’s. Then as you thumb through the colour combinations you’ll realise they are very much ‘on trend.’ Florence was prophetic in her use of colour. Transcending generations with ease!

Colours have been adapted to complement today’s trends, while keeping true to the colours Florence used herself.

Essentially a beautiful collection of prints, perfect for any project.
