

CIRCULON
CUBICLE SCREEN & BEDSPREAD

OEKO-TEX®
CONFIDENCE IN TEXTILES

Circulon is proudly designed and woven in Australia. Specifically for hospital applications, Circulon is suitable for cubicle screens or bedspreads. Woven at 220cm wide enables the fabric to be railroaded when being used as a cubicle screen. Circulon is antimicrobial, flame retardant, reversible and the yarn has Oeko-Tex certification. Custom colours are available on request.
